

Wet-Dry Mounting

For any questions on this process please contact Kevin Stone or Theresa Brow -- Kevin Stone: kjstone57@gmail.com

Parts:

Plaque
Sealer - Delta Ceracoat All-purpose Sealer
Varnish - Delta Ceracoat Matte Interior Varnish
Paint - Delta Ceracoat Acrylic Paint
Glue - Elmer's Spray Adhesive
Roller - any from the Dollar Store
Tape - Painters low tack tape.

Process:

1. Seal the plaque.
2. Paint the plaque.
3. Varnish the plaque
4. Tape off what was just painted.
5. Spray the plaque deck with adhesive. A light, even coat is best. Making sure the edges/corners are covered.
6. Mount picture and align corners.
7. Cover plaque with a piece of paper.
8. Use a rolling pin to remove air bubbles/bond picture to plaque.
9. Remove paper and tape

That's it.... Your finished!!!
